# REACH Compliance Declaration

Based on COCs/MSDSs provided by material suppliers, Flintec (generic) standard products meets REACH regulation (EC) 1907/2006 and do not contain Substances of Very High Concern (SVHC) released till the date of 17 January 2023 (233 substances) declared as per ECHA.

As the environmental regulations change constantly, Flintec is continually monitoring the Substances of Very High Concern (SVHC), as defined by REACH, in our products.

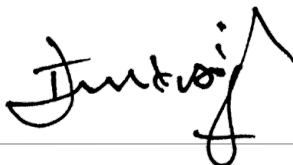

This will be an on-going process since the complete list of SVHCs will be released in stages and following web site gives up to date information on current list of SVHCs under REACH:
